Tardy Thursday Newsletter

"Through working together, the best is yet to come"

www.wldps.com

Issue 26 -24th June 2021

Dear Parents,

MESSAGE OF THE WEEK

Please read the letter from the Director of Public Health, which accompanies this newsletter.

We currently have the staff and children of Years 1, 3 and 4 self-isolating, together with various staff and individual children in other year groups.

We are doing everything possible to control the spread of COVID by closing these bubbles and keeping the school open.

Thank you for everything you are doing to prevent further spread by following government guidance carefully.

SWIMMING POOL REFURBISHMENT

The Governing Body has recently approved a complete rebuild and refurbishment of our swimming pool building and planning permission has been applied for. It has been a long time in the planning, but I am now very pleased to say that things are now definitely moving forward. We very much hope that the new building will be completed early in the New Year (2022) and that our new facility will be here for generations of young swimmers in the future.

I know that many of our parents have fond memories of learning to swim in this pool. I would like to thank all parents who have shown their support over the years, helping us get to this stage of the process.

TEMPEST PHOTOGRAPHY

Year 3's class photo has been rearranged for Monday 28th June.

NURSERY PLACES AVAILABLE IN SEPTEMBER

We still have places available in our Nursery for September 2021.

Our popular nursery accepts applications from the age of three, where they learn in a calm and nurturing environment, full of rich learning opportunities with caring staff. Our outdoor areas are large and now full of possibilities to engage your child.

Parents who are entitled to 30 hours have these hours met by attending Monday to Thursday 8.30-3.15pm and Friday 8.30-11.30am.

Parents using their entitled 15 hours, have these met by attending either mornings or afternoons 5 days a week. Extra sessions cost £20.

Application forms are available from the school office.

Please phone the school office on 01772 335065 if you have any questions.

BREAKFAST/AFTER SCHOOL CLUB 2021/22

We are now taking bookings for Breakfast and After School Club for the 2021-22 academic year. If your child needs a place, please complete the booking form, which can be collected from the School Office. If your child is already attending the Breakfast or After School Club this year, you do still need to complete a booking form for next year. Places are offered on a first come first serve basis.
