Join us in cycling for a world where people are not for sale

OUR MISSION

We ride because every day, all across America, men, women, and children are being trafficked for sex.

Pedal the Pacific exists to educate all people about sex trafficking. We use bikes as a platform to raise awareness, educate peers, fundraise for leading nonprofits, and develop leaders who believe that no voice is too small to make a difference.

Our teams ride 1,700 miles down the coast each summer and have raised over \$850,000 for the anti-trafficking movement.

WHY WE RIDE

Pedal the Pacific supports organizations that are leading the fight against domestic sex trafficking from various angles. All donations support prevention work and survivor services at nonprofits leading the fight domestically.

OUR CURRENT BENEFICIARY

NATIONAL CENTER FOR
MISSING & EXPLOITED
CHILDREN®

The National Center for Missing and Exploited Children's mission is to help find missing children, reduce child sexual exploitation, and prevent child victimization. In 2021 alone, NCMEC's CyberTipline, the nation's centralized reporting system for the online exploitation of children, received more than 29.3 million reports. NCMEC leads the fight against abduction, abuse, and exploitation — because every child deserves a safe childhood.

MORE THAN A BIKE RIDE

Year after year, our riders finish their time in Pedal the Pacific and launch into a path of social justice after learning and experiencing that no voice is too small to make a difference. As a sponsor, you invest directly into this leadership development program that is changing the lives of women across the nation. In addition, a portion of your sponsorship will go directly to our beneficiary's prevention education and restoration programs that are leading the anti-trafficking effort in our nation.
