

East Gippsland Shire Libraries have a selection of gender equality resources suitable for children. These resources provide useful ways for parents and educators to introduce gender equality to children from a young age.

## RESOURCES FOR EDUCATORS

### Gender Equality Resource Kit

The *Gender Equality Resource Kit* contains books, information and lesson plans that can be used by educators in their classrooms.

### All Come Out to Play Preschool Performance

*All Come Out to Play* is a fun, musical interactive program about gender equality. The session follows a day in the life of two children who have all kinds of adventures with their dad while their mum is off at work. The session gives all the participating children the opportunity to show their nurturing, caring side, take some physical risks with a balancing activity and celebrate their different personalities through songs and dances, with some child friendly history thrown in as well!
