In the event temperatures exceed 32°C, the Master of the Ferry has responsibility to ensure safety of the vessel and accordingly shall exercise absolute discretion on reducing the amount of Ferry trips against the advertised timetable until it is again safe to resume normal timetabled operations. The same rules will apply if adverse weather conditions present dangerous tidal systems in the MacMillan Strait.

**Continuous service will endeavour to depart from each terminal every 5 minutes

RAYMOND ISLAND DEPARTURES

Please wait at the Raymond Island Ferry terminal at the displayed Paynesville departure time to assist with safe boarding and timely departures.

CONDITIONS OF USE: Follow instructions of the ferry operator at all times • Cyclists to dismount before boarding • Skateboards not to be ridden • Dogs permitted on a lead • Consumption of alcohol not permitted • Smoking not permitted

NOTE: Disruption to the ferry schedule may occur due to periods of peak demand or emergency vehicle access • In emergency mode, the ferry will display a flashing amber beacon • Level of service Charter available on the Council website

ANNUAL PASSES May be purchased from East Gippsland Shire Council Service Centres • Annual passes must be affixed to the bottom right corner of windscreen
