

East Gippsland Kindergartens

Every child deserves the opportunity to have the best start. That's why funded Three-Year-Old Kindergarten will be available in East Gippsland from 2021. This means an extra year of learning, playing and making friends.

Just like with Four-Year-Old Kindergarten, Three-Year-Old Kindergarten programs will be tailored to meet the needs of children. Qualified teachers support children's learning and curiosity through experiences and activities, such as exploring the natural world, being exposed to new ideas and solving problems.

Children are eligible to attend kindergarten when the child turns three or four years of age on or before 30 April in the year of attendance. For more information, to organise a visit and for enrolment details please contact your local kindergarten or Early Years Management.
