## Important Notes about **Objections** to Permit Applications

1. This form is to help you make an **objection** to a planning permit application in line with the Planning and Environment Act 1987, and which can be readily understood by East Gippsland Shire Council. You do not have to use this form to make an **objection**. Do not use this form to make a submission about a planning scheme change.
2. Make sure you clearly understand what is put forward before you make an **objection**. You should look at the application at one of Council's offices.
3. To make an **objection** you should complete the details on this form and submit it with Council.
4. An **objection** should explain:
  - Why you **object** to the application, and
  - How you would be affected if a permit is granted.
5. Council may reject an **objection** which it considers has been made to secure **commercial** benefit for the **objector**.
6. Any person may inspect an **objection** during the Council's office hours.
7. If your **objection** is about an effect on property that is not your address shown on this form, give details of that property and your interest in it.
8. Council needs to get your **objection** by the date shown on the notice you were sent, the sign on site or in the newspaper, if they don't have it by the date shown your **objection** will not be considered.
9. If you **object** before the date shown on the notice you were sent, the sign on site or the newspaper article, Council will tell you it's decision.
10. If Council still gives permission for the permit after your **objection**, you can appeal the decision. Information on how to appeal will be on the back of the Notice of Decision that Council will send to you. All appeals need to be made on the correct form from the Victorian Civil and Administrative Tribunal and sent with the correct fee. You only have 21 days to appeal after Council tell you their decision.
