## Event Permit Advice

This permit has a fee of \$121.00. Not for Profit Organisations do not pay a fee.

### Event Questionnaire:

You will need an event permit if your public event is on or impacts the use of public land or normal public activities. This document will give you an understanding of the needs for events in East Gippsland and give you advice on other permits needed. We recommend you apply 3 months before the date of event for the application to be processed.

Your Event Permit application is your request for permission to use the land. However, if using community sites typically used for fundraising such as the Nicholson Street Mall Kiosk, please go to the Community Site Booking Application (search in Find a Form) or call a Council Service Centre to book the site.

All events are categorised into three categories from low, medium and high risk. To determine which category your event sits, go to Event Category page 18 of the Event Planning Guide A-Z on [www.eastgippsland.vic.gov.au/leisure/events](http://www.eastgippsland.vic.gov.au/leisure/events)
