# East Gippsland Agribusiness Leadership Program

"This course exceeded my expectations!"

## Building your capacity for agribusiness and community resilience

East Gippsland Community Foundation and East Gippsland Shire Council are delivering this exciting course again in 2024! The program aims to create a cohort of agricultural leaders with a shared experience, motivation and understanding of how to build individual, business and community resilience.

Visit successful local industries

Group discussion to enhance application

The course has an agricultural focus with skills applying equally to all businesses and aspects of your existing or future leadership roles. Those who participated in the 2023 course agreed that they grew in their confidence, leadership skills, and quoted benefits such as understanding change, decision making frameworks, and tools for better relationships with peers and others in their communities.

#### **Building your capacity for agribusiness and community resilience**

If you feel that you are ready to take the next step to increase your adaptive capacity and improve your capabilities in decision making. Farm Management Consultant, Chris Mirams is delivering the program to increase disaster preparedness and strengthen resilience for East Gippsland agricultural business. This program will be

delivered over four months in 2024.

#### The dates for the 2024 program are:

- 21 22 March 2024
- 18 19 April 2024
- 16 17 May 2024
- 20 June 2024

- Days 1 & 2: Two-day residential experience, leadership and leading change.
- Days 3 & 4: Climate change, building resilience and community development.
- Days 5 & 6: Regional tour. Visit farmers and businesses leading in this space.
- Day 7: Integration, shared experience and graduation dinner.
