The Office of Nursing Research (ONR) mission is to empower faculty and students to advance nursing science to improve health and well being by setting the standard for innovative collaborative scholarship. **The Office of Nursing Research is located in the Nell Hodgson Woodruff School of Nursing, Office 245 & 242**

### Proposal & Budget Planning
- Proposal Preparation
- Review Proposal Guidelines
- Budget Development
- JIT process management

### Post Award
- Reconciliation & projection of expenses
- Invoicing
- Preparing financial status reports
- Effort pre-certification
- Facilitating award changes
- Financial close out of the award

### Laboratory
- Consultation on study design, sample preparation and analysis.
- Collection of biological samples
- Storage and inventory biospecimens.
- Analysis of samples using ELISA, PCR using commercially available kits.
- Samples preparation for the Emory core facilities with advanced tools and equipment.
- Samples tests cost estimation for a grant proposal.

### Mock Review
- Detailed Feedback on Grant Proposals
- Gain Insight on the standard review process
- Contact for scheduling

### Statistics
- Stats w/Proposal Study Design
- Analysis Reporting
- Reproducibility & Riger

### Editorial
- Writing
- Consultations
- Copy Editing
- Draft Review
- Formatting to Agency Guidelines
- Analysis of the content & flow of the proposal
- Manuscript Development

### Data Management
- Review Qualitative Data
- Review Data Sharing plans
- RedCap Coordination w/Clinical Study Managers & Statisticians

### Laboratory Services
- Shunta Willis (RAS)
- shunta.willis@emory.edu

### General Services
- Research Project Management
- Research Mentoring
- Identification of Funding Opportunities
- Training Workshops
- Resources & Templates
- Dissemination of faculty & student research accomplishments
- Research Communications

### ONR Research Roundtables, & Workshops
The ONR Team members offer research roundtables, and workshops in addition to 1:1 funding opportunity sessions and research mentoring. Visit the ONR website at [www.nursing.emory.edu/office-of-nursing-research](http://www.nursing.emory.edu/office-of-nursing-research) and/or Email the ONR at: sonnursingresearch@emory.edu for more information.

**To begin working with the Office of Nursing research, please complete the Proposal Initiation Form** [https://redcap.emory.edu/surveys/?s=M7FE4ADH73](https://redcap.emory.edu/surveys/?s=M7FE4ADH73)
