The Blake Scholars Program provides full tuition support for nurse practitioners intending to focus on child and adolescent behavioral and mental health. The program is a collaboration with Children’s Healthcare of Atlanta.

Children and adolescents need emotional, social, and mental support, now more than ever. That’s why the Emory University Nell Hodgson Woodruff School of Nursing and Children’s Healthcare of Atlanta have joined together to create the Blake Scholars Program.

The program provides full tuition for nurse practitioners who intend to focus on child and adolescent behavioral and mental health to pursue a post-graduate certificate in psychiatric mental health nursing from the School of Nursing.
