*Specialties May Include: Urgent Care, Cardiology, ENT, Pulmonary/Sleep medicine, Oncology, Neurology, Endocrinology, Gastroenterology, Nephrology, Urology, HIV/LGBTQ Care, Geriatrics, Sports Medicine/Orthopedics, Hospice/Palliative Care, Pain management, Addiction Medicine, Psychology/Mental Health, Podiatry, Dermatology, Cosmetic Dermatology, and/or Outpatient Surgery/Transplant Care.

**Students Participation in Clinical Rotations:**
- Interviewing and examining patients, forming differential diagnoses, conducting telehealth visits, and formulating treatment plans in collaboration with their preceptor.
- Observation should only last 1-2 days, once oriented to the site and milieu all students are required to be active in the patient care visits and care delivery.
- Students are encouraged to participate in telehealth visits with their preceptor, must be an active participant in the care delivery; they cannot just observe to count towards clinical practice hours.
- May work within hospitals in non-acute care settings, outpatient clinics, palliative care hospice and stress testing. Please see the: Adult Gero NP Primary Care Student guide 2022. cx.docx

**FQHC and VA:**
Requirements May Differ. Please Contract Specialty Directors, Dr. Phyllis Wright, or Dr. Philip Davis, for More Information
