

# CLINICAL PLACEMENT GUIDELINES

## NEONATAL PRACTITIONER

EMORY  
NURSING

To Graduate the Student Will Need to Complete 750 Clinical Rotation Hours.

Program Prerequisites	Rotations Required	Hours per Rotation	Rotation Hours for Graduation	Who can Precept
RN License	Level I and Primary care settings	Up to 150 Hours	150 Hours	Certified NP or Perinatal Neonatal Board-Certified MD
	Level II, III and Level IV NICU	≥600 Hours	600 Hours	Certified NP or Perinatal Neonatal Board-Certified MD

### ROTATIONS MUST INCLUDE:

- Primary Care: Developmental Follow-up; pulmonary with CLD/BPD; ENT with Aero-digestive and tracheostomy; Cardiology and PPHN f/u; NBN rotation as well as time in lactation and General primary care (see patients up to age 2 for well child checkups)
- Level II NICU (N609 only) moderate risk infants with respiratory support such as CPAP or HFNC O<sub>2</sub>.
- Level III NICU (DR resuscitation; ELBW/VLBW management; TPN ordering and Ventilator management)
- Level IV NICU (complex surgical care- heart/Neuro/GI; subspecialty care; long term chronicity)

### STUDENTS PARTICIPATION IN CLINICAL ROTATIONS:

The neonatal NP program is built based on progression from well-newborns to surgical and complex critically ill infants. Our national competency outcomes mandate clinical experiences across the continuum of care and across the scope of practice for the neonatal NP.
