| | Prefer Urgent Care and/or Women's Health | 120 Hours Each | N/A | |
| | Specialty Rotations* | 120 Hours Each | 240 Hours or More | |

* **Specialties May Include:** Urgent Care, Cardiology, ENT, Pulmonary/Sleep medicine, Oncology, Neurology, Endocrinology, Gastroenterology, Nephrology, Urology, HIV/LGBTQ Care, Geriatrics, Sports Medicine/Orthopedics, Hospice/Palliative Care, Pain management, Addiction Medicine, Psychology/Mental Health, Podiatry, Dermatology, Cosmetic Dermatology, and/or Outpatient Surgery/Transplant Care.

STUDENTS PARTICIPATION IN CLINICAL ROTATIONS:

- Interviewing and examining patients, forming differential diagnoses, conducting telehealth visits, and formulating treatment plans in collaboration with their preceptor.
- Observation should only last 1-2 days, once oriented to the site and milieu all students are required to be active in the patient care visits and care delivery.
- Students are encouraged to participate in telehealth visits with their preceptor, must be an active participant in the care delivery; they cannot just observe to count towards clinical practice hours.
- May work within hospitals in non-acute care settings, outpatient clinics, palliative care hospice and stress testing. Please see the: Adult Gero NP Primary Care Student guide 2022. cx.docx

FQHC AND VA:
