

OVERDOSE PREVENTION PROGRAM

VENTURA COUNTY RESPONDS: FENTANYL STRATEGIES FOR SCHOOLS

This training will provide foundational knowledge and tools to draft policy that will enable access to naloxone for Ventura County school districts and sites. Subject matter experts will engage in discussion regarding district protocols and next steps to train staff in recognizing and responding to the signs of an opioid-related overdose.

FEATURED PANELISTS

Lisa Paaske Wyrick, MSN, RN, PHN
Oxnard Union High School District

Ashley Nettles, Program Manager
