BRINGING YOUR FURRY FRIEND? KINDLY READ THE FOLLOWING.

Four Paws On The Ground

Kindly keep your dogs off of furniture (unless held by you), tables, and other guests.

Water Etiquette

Please refrain from letting your dog drink from our glassware. We have dog bowls for you!

Close Leash Policy

Please keep your dog secured and close to you at all times. Be conscious of other guests and staff; long leashes are a tripping hazard. Leashes must be secured under your own chair or held by you; putting a lease under the leg of an empty chair won't do anything if your dog gets spooked.

3 Barks and You're Out

Same goes for humans.

Restroom Awareness

Please be conscious of your dog's bathroom needs.

Absolutely No Aggression Will Be Tolerated

We have a zero-tolerance policy on aggression toward people or other dogs.

Guest Priority

If anyone feels uncomfortable with your dog, unfortunately we will have to ask you to move away from them. People get priority.
