It's all about uncovering the root cause of your unique workforce challenges to create better outcomes. That's where we come in—we are problem solvers, digital innovators and quality and ethical leaders committed to putting your facility, staff and patients first. We help you create better outcomes—and get you there faster than you ever thought possible.

## OUTCOMES WE DELIVER

### PATIENT EXPERIENCE

Access to high quality talent when and where it's needed

### REVENUE ENABLEMENT

Protect revenue by fully staffing units and maximizing reimbursement

### COST CONTAINMENT

Increased efficiency from a flexible solution that meets my organization's needs

## DIGITALLY-LED PORTFOLIO OF PROVEN BRANDS

Health Carousel brings the benefits of nine unique recruiting brands working together to deliver the most highly qualified healthcare professionals available. Our experienced and digitally-led recruiting teams are plugged into key networks for faster access to qualified healthcare professionals, even the hardest-to-fill positions.

## CUSTOMIZED AND FLEXIBLE SOLUTIONS

We keep you and your patients at the center of what we do. That's why we design our solutions around you and pivot as your needs evolve. We can stabilize a whole department or find just the right healthcare professional for your immediate need. You can receive a white glove, holistic service from our account management team or within some specialties, log into our state-of-the art technology platform and search for candidates on your time.

They are easy to work with, they care about what the clients are looking for, and they aren't pushy. Based on how I am treated, I feel like we are the only client they are working with because they give us great personalized service.
