

GUIDE TO USING RALLY

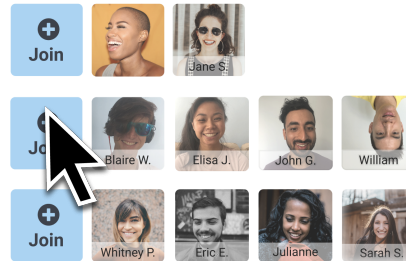

Guest Instructions

Please join through Google Chrome on your laptop or desktop computer*

Join a Table

Join any table you like by clicking
“**Join**” on any of the tables on the right

All Tables

Start New Table

Start a new table by *hovering* over someone's window and clicking “**New Table**”

[CLICK HERE](#)

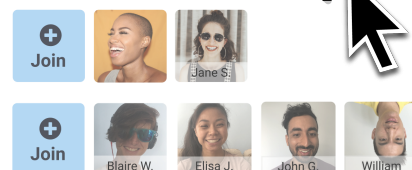

for a 30-second intro video
on **how to use Rally**

Pro Tip*

In Rally, you can hear the **background chatter** of everyone else in the room!

If it gets **too loud**, you can mute it by clicking on the volume symbol, next to “All Tables” at top/right of screen.

All Tables

If you have any questions at any time, click our Intercom button for help!
