

Your Guide to Hosting: STUDENT CLUB WEEK

Hosting a Virtual Student Club Week on Rally is super easy and very customizable. Students will have the opportunity to move freely between different rooms to check out different clubs and talk to different people!

Here's how you get set-up:

Venue

Upload your logo

Edit your Event Name

Easily share your event

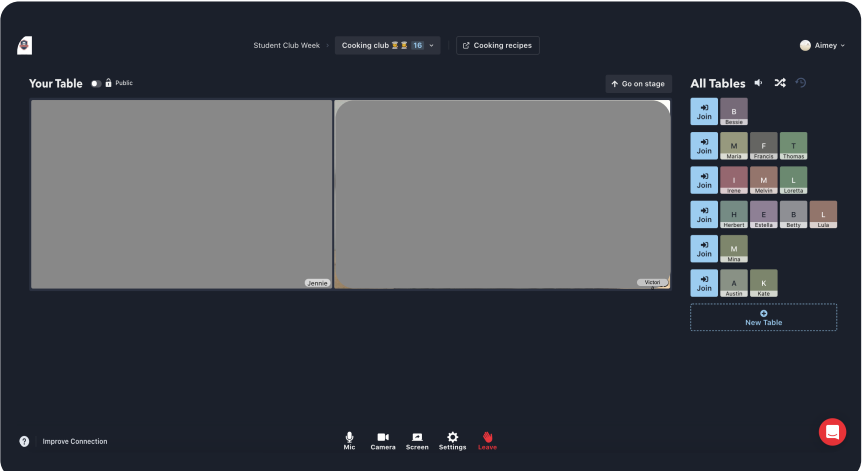

See who's in each room to join

Add a room for each club

Set up your venue so it reflects your university or college and student club names.

The screenshot shows a dark-themed interface for setting up a virtual event. At the top, there's a header area with a logo upload icon, the event name 'Student Club Week', and buttons for 'Edit Venue', 'Homepage Link Here', and 'Share Link'. Below this is a 'Rooms' section with an 'Edit Rooms' button. Five club rooms are listed: 'Another club name', 'Tennis Club', 'Minecraft', 'Badminton Club', and 'Cooking club'. Each room has a 'Join Room' button and a list of participants represented by letters and a count of others.

Room

Customize this button. You can even link it to a Sign up Form!

Join any table you want

Once students are in the club room, they can talk to other members freely and mingle with their peers

The screenshot shows a virtual room interface. On the left is a 'Your Table' area. On the right is an 'All Tables' grid with multiple 'Join' buttons for different tables, each with a unique color and name. A 'New Table' button is at the bottom of the grid. The bottom of the screen features a control bar with icons for microphone, camera, screen, settings, and a red 'Leave' button.
