

# International Legal Advice Service

**CFAB's International Legal Advice Service offers Expert Reports/Opinions from lawyers in other jurisdictions for use in court proceedings in the UK.**

CFAB currently has legal partners in the following countries:

- Bulgaria
- Romania
- Italy
- Pakistan
- Nigeria
- Ghana

We are, however, expanding our network of legal partners and new countries will be added to this list on an ongoing basis.

Our partners may be able to assist with advice on foreign law in respect of the following issues:

- Legal frameworks for placing children with kin / in foster care overseas;
- Parental responsibility / custody / guardianship in the relevant jurisdiction;
- Law surrounding child abduction / relocation;
