What is news at HH?

Our new name!

Thanks to everyone for your support during our transition from Southern Highlands Speech Pathology (Bowral Office) and Southern Tablelands Speech Pathology (Goulburn Office) over to being Hanrahan Health – Therapy Services. We are loving our new signage and new name and hope you do to! A big thank you must go to Banter in Bowral for helping to design our new logo and colours and branding. We love it!

Our new team members!

A huge welcome to our beautiful new team members who have started this year – we are loving having them all on the team.

Clinic for Good

Our Clinic for Good has been running well! See our latest blog here from Anna Love all about this wonderful clinic and how much it means to us here at Hanrahan Health to be giving back to our community.

Giving back to the community in our Clinic for Good

Written by, Anna Love. April 7, 2021

We had smiles all around on Saturday as the Hanrahan Health team hosted one of our regular 'Clinic for Good' sessions at our Bowral and Goulburn clinics. Sixteen clients who would otherwise have difficulty in accessing therapy met with one or more of our Speech Pathologists, Occupational Therapists and Allied Health Assistants. It was a happy, noisy morning – and our busiest session ever!

Our therapists volunteer their time to provide free-of-charge, one hour sessions to clients who have difficulty accessing support for a range of reasons. We love giving back to our beautiful community, and we hope today's Clinic provided a bit of much-needed sunshine and support to our clients.

If you would like to find out more about our speech pathology, occupational therapy service or Clinic for Good, please [contact our friendly team](#).

Team Culture Day!

Our team had a wonderful whole day Team Culture Day recently in Bowral which was a wonderful opportunity to gather as a larger group, reflect, set goals together and really have a lot of fun along the way! We are very proud of our team culture here at Hanrahan Health and value all of our team members enormously. Here are a few photos from the inspiring day.

Yasmin has started her maternity leave and is after waiting patiently for her baby to arrive, we are very excited to announce that Frankie Rose Gorton was born late last week and is simply the cutest (we can't wait to meet her!!!)

Change in Policies

We hope you are continuing to enjoy your therapy sessions at Hanrahan Health. We would like to let you know, that from 1st of June, we are rolling out a change in one of our policies. To help cover our time and allow for high quality services, we will be increasing our admin time from 10 minutes per therapy session to 15 minutes per therapy session. 15 minutes will allow us more sufficient time to document our progress notes for the session (a record of goals targeted, data taken in the session and a plan for the next session), and to send an email to communicate the session with the extended team including parents, other family members, teachers and other team members as relevant. Any questions, please do not hesitate to contact either myself directly, or one of our friendly team members at your local clinic.
