WHY WE'RE THE COOL KID IN TOWN

Located in the upcoming Amstelkwartier district, an urban area with wonderfully designed buildings but still close to the famous canal district, George Marina truly is an icon at the Amstel river. Our bright, three storey venue has large windows overlooking the marina, an open kitchen, a striking 360 green marble bar and an eye-catching staircase right in the middle of the restaurant – making it one of the most highly sought after event spaces in town.

It goes without saying that big or small, we will fully take care of the creation and production of your event, taking into account all your wishes and ideas. We're easily accessible by bike, train or even boat! Plus: we offer valet parking.

Oh, and did we mention our amazing terrace? The perfect backdrop for a cocktail party or deluxe outdoor event – Marina style.
