

MEET UPS

THIS WEEK'S PRACTICE...

Today in your Meet Up:

1. Put away your phones or any other distractions, and get into a comfortable, but alert position.
2. Invite Holy Spirit to come...
3. Spend two minutes in silence asking God to talk to you about where you should be building altars in your life...

“What do I think about building altars...”

Read Romans 12 verses 1-3 in a couple of different translations if you have them (Bible Gateway will help.) Each of you write these three verses in your own words and then read them to each other.

If you chose to obey these verses what would you do?

“Do I even have an altar...”

Marce said that the name of his altar is ‘before the kids get up in the morning’ do you have an altar?

And if not, where could you build one?

If you already have an altar what could a radical altar extension, look like for you?

WEEKLY PRACTICE

Make yourself accountable to someone and find a time and place to build an altar to God.
