

MEET UPS

THIS WEEK'S PRACTICE...

Today in your Meet Up:

1. Put away your phones or any other distractions, and get into a comfortable, but alert position.
2. Invite Holy Spirit to come...
3. Spend two minutes in silence

"Daniel lived in turbulent times..." Read chapter one of Daniel together, what stands out for you? We are living through difficult times as well. What have you found difficult during this last year? "Daniel trusted in God" Daniel held onto God by trusting in his promises in scripture (Daniel 9v2 -11,12,13).

At the beginning of last year Geoff Ives prophesied that we as a church were going to go through difficult times this year (the prophetic word is read 2 minutes into Richard's preach & a link is at the bottom if you want to listen to it again) but we needed to hold onto the truth in 1 Peter 9 and 10. One of you read 1 Peter 9 and 10, then each of you write the verses in your own words and share what you have written with the group.

WEEKLY PRACTICE

From your translation of the verses come up with an 'I will statement' for this week. For example 'I will remember I am chosen and that God loves and cares for me – so I won't spiral when things go wrong'
