

# MEET UPS

## THIS WEEK'S PRACTICE...

Today in your Meet Up:

1. Put away your phones or any other distractions, and get into a comfortable, but alert position.
2. Invite Holy Spirit to come...
3. Spend two minutes in silence.
4. One person in the group read aloud Psalm 121.

Today, Marce was speaking from Daniel chapter 4, the end of the story of Nebuchadnezzar's dream. We saw that the reason that Daniel was in Babylon was because God's people had ignored his voice (1 Kings 9) how does that tell us about our response to God talking?

Nebuchadnezzar was humbled by God and that led to him turning to God, has God ever humbled you? If you feel comfortable share with the group. God has been speaking to us about building altars in our lives, what have you done in response to that prophetic word.

## WEEKLY PRACTICE

This week as you build altars to God start by reading and praying through Psalm 121 as a declaration of your humble need of God.
