

^ Density

Safely reopen campus with Density's occupancy monitoring system

Avoid overcrowding and monitor social distancing in high traffic areas such as dining halls and libraries.

Empower Students

Enable students to self-regulate with on-campus displays and occupancy data integrated into their university mobile app.

Ensure Safety

Monitor capacity in high traffic areas and trigger SMS and native notifications when occupancy limits are reached.

Streamline Cleaning

Help janitorial staff schedule cleaning based on actual usage and avoid servicing areas that have not been visited.
