GEORGE CASEY

It's a long way from County Clare, Ireland to Las Vegas, but that is the road that comedian - entertainer, **George Casey** has traveled (and all stops in between) to fulfill his life's mission: **To make people happy!**

Casey's self-deprecating humor, tempered with his Irish brogue, have won over audiences across the country. Casey's humor is always in good fun and gets the audience involved. He relates well with his audience and is a good communicator and keen observer of human nature.

While he loves to poke fun and tease any and all ethnic groups, his style of humor is done in good taste and is refreshing. **With his disarming smile and likable personality, he can charm the habit off a nun and put a smile on the face of even the most politically correct person.**

Throughout George's career he has been an opening act for the following artists: **Bobby Vinton, Rosemary Clooney, The Osmond Brothers, Tony Kenny, Lou Rawls, and The Three Dog Night.**

**Good clean comedy with
