## 2020 Performance Rider

The following requirements are essential to ensure a smooth running show. If you have any questions relating to this document, please do not hesitate to contact one of the people listed below

**The Purchaser agrees to supply, at no cost to the Artist, the following:**

### **STAGING / PERFORMANCE AREA:**

Stage should be a minimum of 48ft x 32ft (15m x 10m) and well constructed. Performance surface should be completely smooth, level and wobble-free, before any equipment is placed on it. The purchaser agrees to ensure that the stage is ready for use prior to load in.

All risers should be a standard 8ft x 4ft x 1ft, or metric equivalent. They should be covered with a black surface and ideally have a dark red fascia. Plain black if that is not possible. We prefer not to see the standard chrome finish.
