Specific requirements

While at RLC, A student will have full academic support in many forms. This includes supportive study, mentor group, clubs, experiential outdoor learning, Indigenous lensed curriculum, and various sport activities, exposure to new challenges, small class sizes, excellent teacher to student ratio, and a small supportive community. Due to this, we ask that students submit and maintain the following:

- Submit each grade assessment to the community's education representative from each semester
- Submit: A donor video and two thank you letters describing the positive impacts of the donor's contribution per semester
- Adhere to the [RLC Parent Student Handbook](#) regulations
- Regular scheduled meetings with the Indigenous Seven Generations Program Coordinator

Failure to adhere to any of these requirements will result in RLC and the community partner to begin a process of academic accountability. This may come in the form of restorative circles, academic contracts, and continued contact with parents and/or guardians. If the student is unable to maintain academic and/or personal integrity the individual may be subject to withdrawal of sponsorship and enrolment. Parent responsibilities include the following as outlined in the Continuous Enrolment Contract.

- a) *For withdrawals prior to June 1st, I am responsible for one full semester of the annual tuition.*
- b) *For withdrawals after June 1st, I am responsible for the total year's tuition.*

- c) *I understand that the Application Fee and Enrolment Fee are not refundable.*

Parents must be prepared to accept the financial responsibility of additional costs that are over and above tuition fees. This can come in the form of uniforms, clothing, additional courses fees, books, overnight accommodation, extra meals, travel, and other supplies. Please refer to our [Financial Guide](#) for more information.

Payment of the fees below are the responsibility of the parent(s)/guardian(s). These fees are not the responsibility of the sponsoring First Nation (***if applicable***). Associated costs are:

- Application fee of \$200 is due with the application and when applying.
- There is an 'enrolment fee' of \$2000 (day student) and \$3000 (boarding student) that is due with the first tuition installment and upon accepting our offer of admission.
