

Round Square International Conference, New Zealand

Whanganui Collegiate School
Whanganui, New Zealand
December 4 – 18, 2023

This conference is intended for student delegates aged 13 to 15. The theme is “If you are called to lead – you are invited to serve.” Topics will highlight the impact of service leadership for our future. The conference will provide opportunities for delegates to hear from leaders who have served their community, through guest speakers, baraza discussion groups, cultural visits, and leadership/service opportunities.

Whanganui is located in the central region of New Zealand’s north island. It is surrounded by rivers, sea, and volcanic mountains. This conference is intended to provide delegates with an enriching and worthwhile experience that will further their understanding of leadership through service, and provide an intimate perspective of New Zealand and the country’s rich culture and natural heritage.

RLC is pleased to have an opportunity to send six delegates to this conference.

International conferences

Students and teachers in Round Square schools—there are 200 worldwide—have the opportunity to take part in age-appropriate local and global conferences that bring them together with peers from different countries to share perspectives, debate topical issues, forge friendships, support local communities, and develop international understanding.
