About the Resort

With snow-sure runs that extend to 3300m and some of the most breath-taking views in the Alps, St Moritz is a firm club favourite that we are lucky enough to have again this season. Lying at the foot of the 4000m Piz Bernina in the Romansch area of Switzerland, St Moritz is one of the oldest and most exclusive ski resorts in the world and was twice Winter Olympic host. The local mountain of Corviglia has over 80km of pistes to suit all abilities, catering particularly well to intermediate and advanced skiers and boarders. The neighbouring area of Corvatsch offers snow-sure glacier skiing for all levels.

We stay at Club Med St Moritz Roi Soleil. The price (up to 15th September) is €836 per person to share a double, and €760 in a single with shared facilities. After 15th September it will be €849 and €775 respectively.

A €300 deposit required on sign-up and special cancellation terms apply. As always, this trip includes a SKIPASS (4 days), and 3 days SKI/ SNOWBOARD lessons/ guiding (sorry, no beginner lessons) AND FULL BOARD including drinks! This is a U-drive trip, very accessible by train

*The late sign-up price will apply to sign-ups submitted after 21:00 on the last Early-Sign-up date.

Please refer to our cancellation policy for terms and conditions.
