

Life has a way of throwing us curve balls, giving us bumps and bruises, making our days seem to go topsy-turvy and a myriad of other inflictions.. While we all want quantity of life – we want to live a long life, we also desire for our days to contain a high quality of life.

We know that God's word places less importance on our present, temporal existence and the quality of our days than it does our eternal experience. We read much about the length and quality of life from all the writers of scripture. John writes: *"And this is eternal life, that they may **know** You, the only true God, and Jesus Christ whom You sent."*

To know God speaks of intimacy, not simple knowledge. Jesus offers us more than just an arms-length understanding of Him, He offers intimacy, closeness, an opportunity to fully know Him. John again writes of this in Chapter 10, verse 10: *"I have come that they may have life and have it abundantly."*

This abundance is not measured by days, months, or years. It is measured by the highest standard of quality – life in the presence of our Lord and Savior, Jesus Christ. Forever.

Seek Him. Know Him. Experience life to the fullest!
