BLESSED ASSURANCE

I am purchasing a fancy coffee maker this year, so part of my research was checking out the warranty. What is covered? What is not? How long is the warranty? When something isn't working, what do I do? Do I send it in? Do they send me parts? What about postage? 'Who pays for what?' is always the question.

New things become old no matter if they are coffee makers or homes. Old things break and we start the search for the receipts. Is it covered or not? I know a person who writes on his light bulbs when they were purchased to make sure they get their full 12 years out of the bulbs. Smart, yes, but I am not that organized, and it seems overwhelming to me.

Blessed assurance, Jesus is mine! Oh, what a foretaste of glory divine! Heir of salvation, purchase of God, Born of His Spirit, washed in His blood.

We are covered. No papers to send in; no dates to remember; no postage, and no customer service.

Remember, we are washed in His blood, the ultimate warranty. There is no sin on this earth or thought that you've had that Our Lord and Savior will not forgive.

This is our story; this is our song. Embrace it!

Don Pearson, Elder.

- GIVING BOX -

Though we do not "take an offering" during our services, we do provide a way to give financially to Calvary Chapel Bemidji. There is a box for this purpose located in the foyer, or you can also give through our website.
