

God Saw You Getting Tired

God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, "come to me."
You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best
And when I saw you sleeping,
So peaceful and free from pain
I could not wish you back
To suffer that again.

Forget Me Not

Forget me not for I am with you
My love is all around
Forget me not my loved ones
Just look - I can be found
]A place you go - an easy chair
A song it will remind you
A lovely scent, a meal we shared
Those memories will find you
I'm happy now my pain has gone
And I'll watch over you
So don't be sad my loved ones
My promise I'll hold true
Just smile a while and think of me
Please cancel all your fears
Forget me not for I am with you
So darling dry your tears

You Will Be Found ~ Sam Smith (with Summer Walker)

Come to me, all who labor and are heavy laden, and
I will give you rest. Take my yoke upon you, and
lowly in your heart, and you will find rest for you
souls. For my yoke is easy, and my burden is light.

Matthew 11:28-30

A reception will take place immediately following graveside
