

quarziti

quarziti

Quarziti is a handsome mix of products designed for indoor and outdoor use, in bringing contemporary architecture into being. Its carefully chosen colours, its inspiration from the natural world and its strong internal structure make this collection unique. From grey to red and from plain to vein-patterned, the collection features a wealth of elements that are always different yet complementary, ideal for the creation of timeless design schemes. The Quarziti tiles, an innovative product developed with the aid of groundbreaking technologies, are the latest expression of Petra Aeterna's high design standards. With their tactile appeal and fine appearance, the Quarziti tiles are naturalness demanding to be touched. Their colour variation gives them great potential in the world of design.

Quarziti è una miscellanea di prodotti dedicati a spazi interni ed esterni per disegnare l'architettura contemporanea. Lo studio dei colori, l'ispirazione al mondo naturale e la forte struttura interna rendono questa collezione unica. Dal grigio al rosso, dal neutro al venato, la collezione si arricchisce di elementi sempre diversi ma complementari per progettare un luogo atemporale. Nuova espressione del rigore di Petra Aeterna sono le Quarziti, prodotto innovativo sviluppato grazie all'utilizzo di tecnologie all'avanguardia. Le Quarziti, forti nella loro matericità e qualità estetica, diventano naturalità da toccare con mano. La varietà cromatica le rende un importante punto d'incontro con il mondo del design.

Quarziti est un assortiment fait pour l'intérieur et l'extérieur, pour donner corps à l'architecture contemporaine. L'étude des couleurs, l'inspiration de la nature et la forte structure intérieure donnent à cette collection un caractère sans égal. Du gris au rouge, du neutre au veiné, la collection se pare au fur et à mesure d'éléments différents, mais complémentaires, pour dessiner un cadre intemporel. Quarziti incarne la nouvelle rigueur de Petra Aeterna. Ce produit extraordinaire s'appuie sur des technologies de pointe. Forte de sa consistance matérielle et de sa qualité esthétique, la surface Quarziti est un trésor naturel qui ne demande qu'à être apprécié. La palette des couleurs en fait un excellent terrain d'entente avec la sphère du design.

Quarziti besteht aus einem gemischten Sortiment an Produkten für den Innen- und Außenbereich, die Ausdruck zeitgemäßer Architektur sind. Farbstudien, Anknüpfungen an die Natur und die ausgeprägte Materialität machen diese Kollektion einmalig in ihrer Art. Ab Grau oder Rot, ob neutral oder gemasert, stets neue Varianten für eine Kollektion, die sich zur Gestaltung von Wohnbereichen mit zeitlosem Charakter eignet. Ein neuer Ausdruck der Prägnanz von Petra Aeterna ist Quarziti, ein innovatives Produkt, das auf modernsten Technologien basiert. Materialität und eine hohe ästhetische Ausdrucksform werden bei Quarziti zu greifbarer Natürlichkeit. Die farbliche Vielfalt schafft die Begegnung mit der Welt des Designs.

Quarziti es un conjunto de productos dedicados a los espacios interiores y exteriores para diseñar la arquitectura contemporánea. El estudio de los colores, la inspiración en el mundo natural y la fuerte estructura interna hacen única esta colección. Del gris al rojo, del neutro al vetado, la colección se enriquece con elementos siempre distintos pero complementarios para proyectar un lugar atemporal. Nueva expresión del rigor de Petra Aeterna son las "Quarziti", producto innovador desarrollado gracias a la utilización de las tecnologías más vanguardistas. Las "Quarziti", de gran materialidad y calidad estética, se convierten en una naturalidad que se aprecia de inmediato. La variedad cromática las convierte en un importante punto de encuentro con el mundo del diseño.
