Il vetro come ispirazione
si traduce in una collezione
dagli infiniti riflessi e sfumature,
per una palette cromatica
dai toni decisi e ricercati.

Glass as inspiration transformed into a collection
with an infinity of reflections and nuances, for a
colour palette with bold and sought-after hues.

Le verre en tant qu'inspiration se traduit dans une
collection aux reflets et nuances infinis, pour une
palette chromatique aux tons forts et recherchés.

Das Glas als Inspirationsquelle findet Umsetzung
in einer Kollektion mit unendlichen Reflexen
und Nuancen dank einer Farbpalette mit klaren,
ausgesuchten Farbtönen.

El cristal como inspiración se traduce en una
colección de infinitos reflejos y gradaciones, con una
paleta cromática de tonos intensos y elegantes.

Стекло как вдохновение: это нашло воплощение
в коллекции, переливающейся бесчисленными
бликами и оттенками яркой и изысканной
цветовой палитры.

以玻璃作为设计灵感，揉合无穷的美学效果和色调，
成功演绎于这个系列，展现鲜明细腻的五彩十色，
打造斑斓夺目的室内空间。
