Located in the heart of Sydney's Western suburbs, SummitCare St Marys creates a nurturing, fun and warm aged care home, giving all residents a strong sense of community and wellbeing. Our highly qualified, caring staff are well equipped to provide excellent palliative and early onset dementia care as well as high care respite and residential care.

SummitCare's residents receive an individual pain management plan from a full-time Registered Nurse. They also have access to massages and other services from full-time physiotherapists, physiotherapist aides and receive a daily exercise program.

Combined dining and lounge areas provide lovely spaces where residents can interact, and catch-up with family and friends. Residents in SummitCare St Marys enjoy leisure and lifestyle activities and visiting entertainers.

SummitCare caters for all your lifestyle needs with nutritious and tasty food, on-site hairdressing services and an in-house laundry. We also provide spiritual and religious services for our multicultural communities; and meals to suit individual faiths.

Book your tour with us today and experience Aged Care, as it should be.
