Datakeeper

Universal Work-In Case With Full-time Protection

The Datakeeper is a universal, full-time protective case for your students' laptops or Chromebooks. Constructed from molded EVA foam, padded edges, and secure corner straps, the Datakeeper cradles your laptop, keeping it safe from drops and bumps. A convenient carry handle or an optional shoulder strap makes the Datakeeper very portable and ready to go whenever you are. Whether for work, school, or play, this always-on laptop case ensures that your devices are protected anytime, anywhere.
