ShockGUARD - Chromebook

Extreme Protection From The Inside Out

Correcting a fundamental flaw with most shells, our ShockGUARD cases cushion your device with an inner shock-absorbing material, while the hard, outer shell takes the knocks and drops. An optional stand provides elevation for a more comfortable viewing angle while working.

Features & Benefits

✓ Tough polycarbonate outer shell
✓ Shock-absorbing TPU lined interior and corner protection
✓ Optional stand to elevate and remove neck strain
✓ Slim design easily fits into backpacks and carts
✓ Transparent shell for ID and asset tag viewing
✓ Easy access to all ports at all times
✓ Bottom vents ensure the device stays cool
✓ Fits select HP, Lenovo, and Dell models
✓ Additional models coming soon
