## /BIO/

**Hola!** My name is Iñigo. I'm a Senior User Interface / Product Designer based in Jerez, Spain.

I'm currently freelancing and seeking for a new permanent role. I have over 15 years experience in the Digital / Web / Creative / Graphic Design industry.

Always passionate about using creativity to find solutions for all graphic and digital media projects, from branding, print, illustrations and caricatures to design systems, responsive web, apps and other digital products.

## /WORK EXPERIENCE/

**January 2022 - February 2023:** Senior Product Designer at **Climate Edge**, London (UK).

- Branding, Product, Design System, User Interface and Marketing design.

**August 2020 - present:** Freelance UI / Product Designer for **Compuco, Orbit 29, BP Launchpad**, London (UK).

**May 2019 - August 2020:** Creative Lead / Product Designer at **Element Human**, London (UK).

**February 2011 - April 2019:** Senior UI Designer at **reed.co.uk**, London (UK).

**March 2015 - August 2016:** Co-founder / Product Designer at **Startup Startup**, London (UK).

**September 2009 - January 2011:** Graphic Designer at **FTE Jerez**, Jerez (Spain).

**January 2008 - August 2009:** Graphic / Web Designer at **Lebranders**, Jerez (Spain).

**2002 - present:** Illustrator and caricaturist.

## /EDUCATION/

**2007 - 2009:** Digital & Graphic Media Degree at **Visual Arts Institute**, Jerez (Spain).

**Jun 2008:** Packaging Design Workshop at **Escola Massana**, Barcelona (Spain).

**1999 - 2004:** Journalism Graduate at **University of Seville**, Seville (Spain).
