# SEPTEMBER 2022

**Derek Prince once said: "If we had complete and unreserved faith in three aspects of God's nature – His goodness, His wisdom, and His power – then we would never disobey God." And it would stir our prayers! Please join us in prayer for our mission of making Derek's life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.**

Thank you for supporting my ministry; it helps me to go out more often to reach more people for Jesus."*

## TESTIMONY – Belarus

God is working in the hearts of students who are studying at our DPM Bible Correspondence School. Here is a recent testimony from Anna, one of the students:

- “I've been learning in DPM's Bible Correspondence School for a year. I look forward to a new term, new assignments and lectures. I organise my calendar and prepare myself and open my heart for revelation. And, of course, I pray before I start to study and ask for God's guidance. Sometimes I am disturbed because of work, household chores and many other things. But I feel supported and inspired and have a desire to pray through it. The more I seek God and immerse myself in His Word, the tighter our relationship gets. Even when I'm just reading my own notes, I'm filled with joy and longing to fully commit myself to God. I thank God for DPM and all the things you're doing, your hard work and diligence. God's Word becomes a firm rock, shield and guard for me more and more. May God bless you.”

Pray for every person who gets Derek's material to come to salvation or be encouraged in their faith.

## Indian Subcontinent

## OUTREACH REPORTS – Sri Lanka

- Praise God for His protection and provision for Coordinator Bishop Prince, DPM–New Zealand Trustee, Alan, and his wife Lynda, and India Directors Elsie and Danny as they travelled through the country recently for two weeks. Elsie advises, "We faced several challenges, but the word God put in our hearts was that our visit was for a breakthrough, and we literally saw miracle after miracle—from our journey in Trichy (India) to Colombo (Sri Lanka), within Sri Lanka where diesel is rationed, and then our trip back into India. Not only that, but we were able to take 126 audio Bibles in Tamil to uneducated believers in Mangani village (India) where many people received them with tears. Derek's teaching has brought a huge change to this nation, which we witnessed with our own eyes."

## TESTIMONY – South Africa

- A single mother contacted us wanting to make a monthly donation, even though she wasn't earning a large salary. She wrote, "I grew up in a Christian home. However, I believed the lie that I could find happiness on my own, that I didn't need God. I lived this lie for 53 years of my life. On 14 January 2021, my heart was completely gripped by the grace of God. And at that moment, I knew I would never be the same again. My hunger for the Word of God became very evident. We were in the middle of the Covid pandemic, and all churches were closed. So, I started searching for good sermons online and found some, but none fed my soul to satisfaction. I had an overwhelming desire to start helping in my community and to search for a church family. Seven months ago, I found such a church family. And there I was introduced to Derek Prince Ministries' teaching at the cell group meeting. What I noticed immediately about Derek's teaching is that it provided practical solutions to many of the issues and questions that were raging through my mind. I downloaded the Derek Prince Ministries app on my phone that night and have not stopped listening to his devotionals and radio broadcasts. Having worked through Derek Prince's Atonement sermons I have now realised the full impact of what Jesus did for us. I have lived in the dark for so long, but now I can see God's light starting to shine in my life!"
