

*He was prescribed  
painkillers and he  
got hooked on them.*

*He dodged the bullet  
for a while. And then  
one day he didn't.*

Fentanyl is up to 100 times more powerful than morphine. Even a tiny amount can be fatal, and often people don't even know the drug they are taking has fentanyl in it.

Be aware, be informed. Be safe.
