### **Learn Play Therapy Supervision skills!**

Presenter: Steven L. Parks, LCSW-S, MBA, RPT-S

#### Training Description

This continuing education event teaches participants basic theories and skills of Play Therapy Supervision.

Participants will learn methods and skills of assessment and development of supervisee competency and learning. Training will include practice resources and discussion of case examples. **Training will be live and in-person only.**

#### Learning Objectives

At the end of this workshop, the learner will be able to:

1. Differentiate Play Therapy Supervision from other forms of clinical supervision
2. Describe the ethical responsibilities and duties of Play Therapy Supervisors
3. Create documentation policies that adhere to best practices for supervision
4. Describe theoretical models informing the process of Play Therapy Supervision
5. Practice use of Play Therapy Supervision skills and technique

## Frequently Asked Questions

- This training will be an in-person training that counts as APT Approved Contact CE credit.
- Participants will receive an evaluation and post-test and must complete both and score a minimum of 80% on the post-test to receive continuing education credit and certificate.
- Prior Play Therapy knowledge and experience are helpful but not necessary to participate.
- Registration refunds will NOT be made to parties who register but do not attend or do not contact the organizer 24 hours in advance.
- Participants requiring accommodations must submit a medical professional's note specifying the required accommodations to [PlayTherapyTraining@ifshouston.org](mailto:PlayTherapyTraining@ifshouston.org) at least 7 days prior to any training for which they have registered.
- JFS reserves the right to cancel any of these training in the event of unforeseen circumstances. If such a cancellation occurs, JFS will attempt to notify registrants and refund all registration fees.
- Continuing Education credits apply towards mental health licensure and apply towards acquiring or maintaining a Registered Play Therapist (RPT) credential. The Association for Play Therapy sets the credentialing standards for Play Therapists and approves applications. Please review the credentialing standards for full list of the requirements to obtain the RPT Credential: <https://www.a4pt.org/general/custom.asp?page=CredentialsHomepage>
