Learn the skills of attachment building Theraplay!

Guest Presenter: Kirsten Rieck, LCSW, Certified
Theraplay Practitioner

Training Description

This continuing education event teaches participants the theory and foundational skills of Theraplay. Participants will learn the four Theraplay dimensions of Structure, Engagement, Nurture, and Challenge and how they are selected to target children's needs and address behavior problems. Participants will practice Theraplay skills and interventions in an interactive learning format. **Training will be live and in-person only.**

Learning Objectives

At the end of this workshop, the learner will be able to:

1. Recite the core theoretical concepts of Theraplay
2. Demonstrate basic knowledge of the Theraplay model as a model of Play Therapy
3. Describe how the Theraplay dimensions of Structure, Engagement, Nurture, and Challenge are used to meet children's needs and address behavior problems
4. Demonstrate two activities from each of Theraplay's four dimensions
5. Explain how the MIM is utilized to assess the parent-child relationship and to plan treatment
6. Describe how Theraplay interactions are conducted to address trauma
