

Step-By-Step

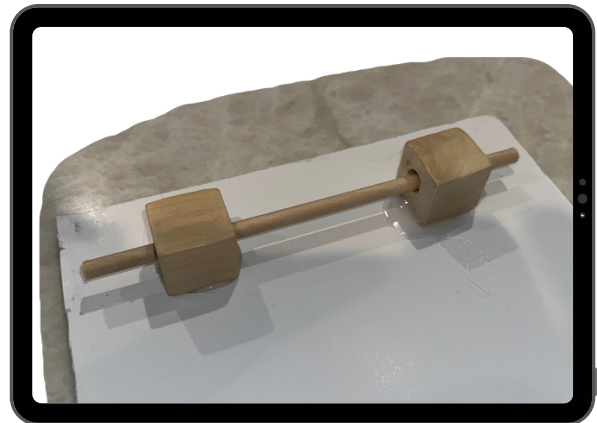

1. Cross over the popsicle sticks & stick a brad through the holes

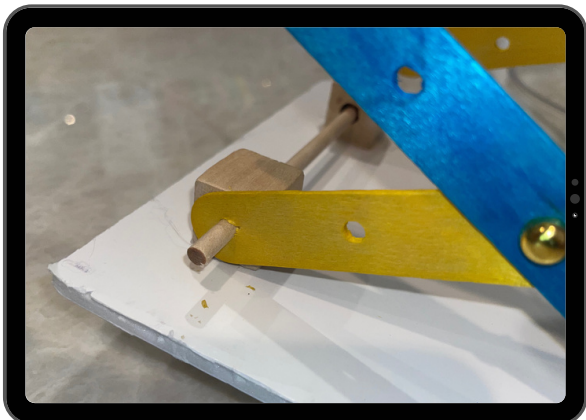

2. On back side, fold brad down so they stay tight

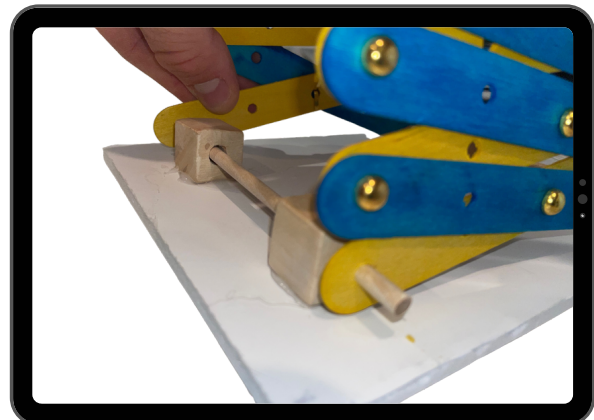

3. Here is the pattern you want to copy.
**Notice: the blue ones stay on top and orange are on bottom layer!

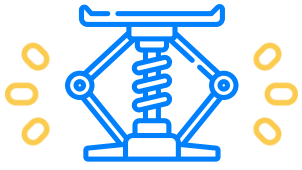

4. On ONE SIDE of base, glue 2 CUBES DOWN with DOWEL Between them

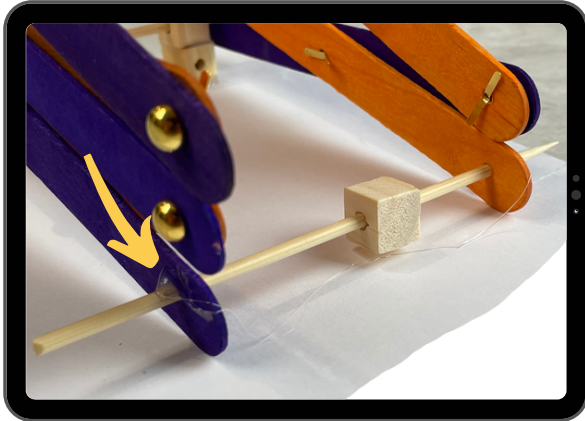

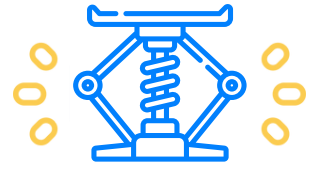

5. SLIDE THE DOWEL THROUGH THE BOTTOM OF ONE OF THE SIDES

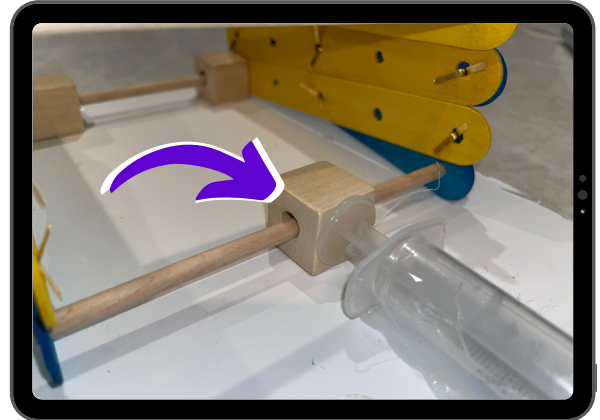

6. SAME THING WITH OTHER SIDE! KEEP METAL BRADS FACING OUT!

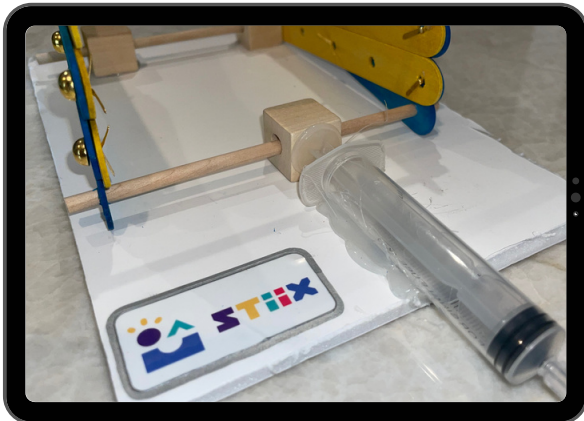

Step-By-Step

7. PUT A DOWEL THROUGH BOTTOM OF OPPOSITE SIDE, BUT SLIDE A CUBE ONTO IT!!

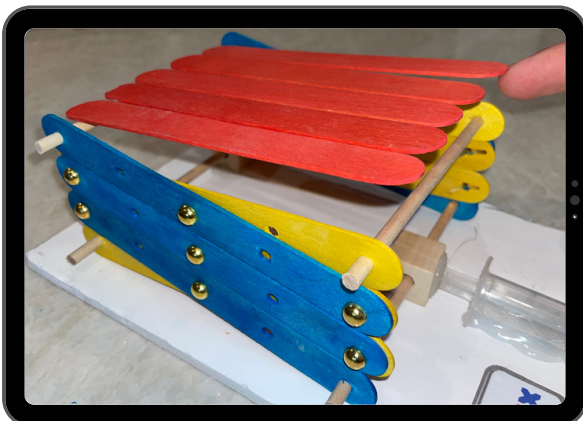

8. GLUE THE BOTTOM END OF A SYRRINGE ONTO THE CUBE

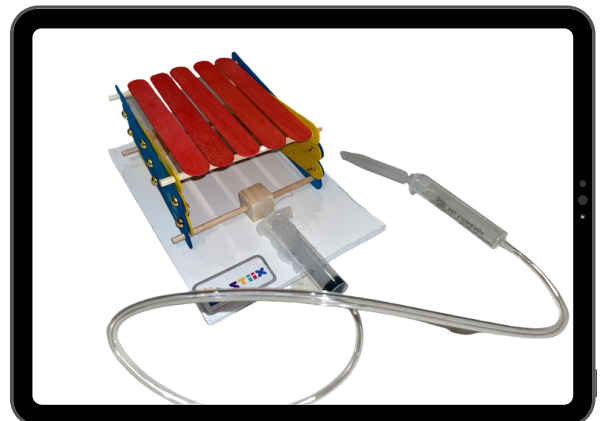

9. Glue the bottom of the syringe to the foam base!

10. PLACE 2 MORE DOWELS THROUGH TOP OF THE SIDES. TRY TO KEEP EVERYTHING STRAIGHT!

11. OPTIONAL: Put glue on one of the top dowels and MAKE A ROOF!

12. CONNECT A TUBE AND ANOTHER SYRINGE ON THE OPPOSITE END!
