

Step-By-Step

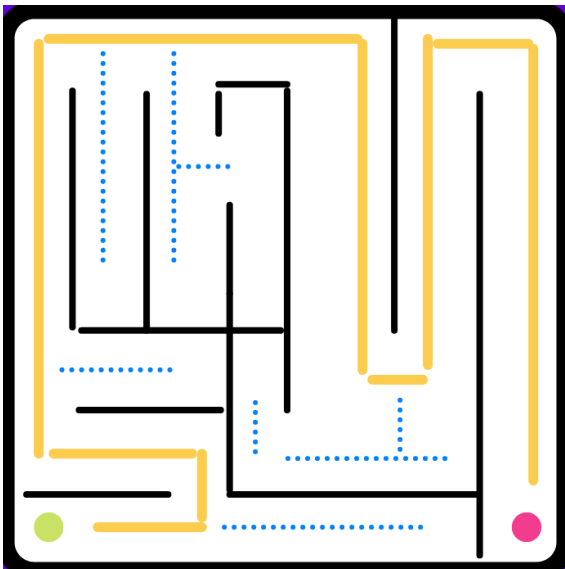

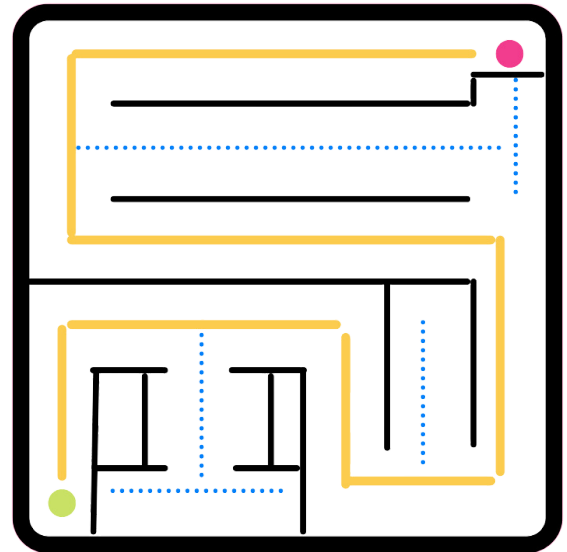

1. Get out "Ruler Style" balsa sticks

2. Glue them along the edges to make walls of maze

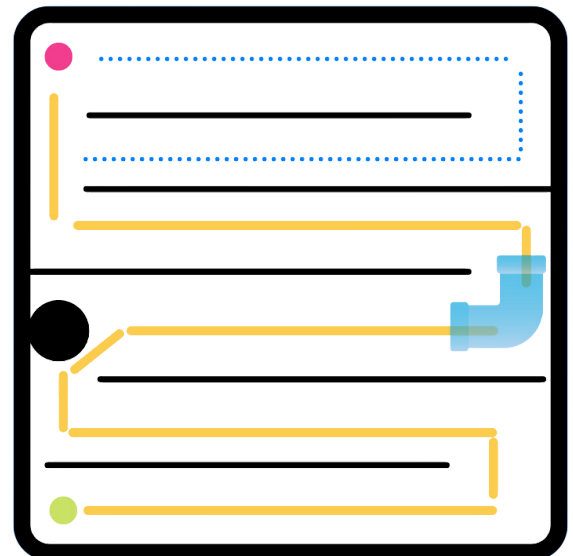

3. Make a plan / sketch for the maze

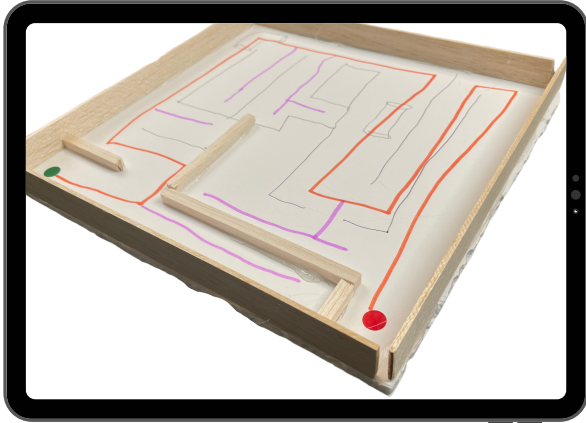

**EXAM
PLES**

****THE black
symbolizes the
walls**

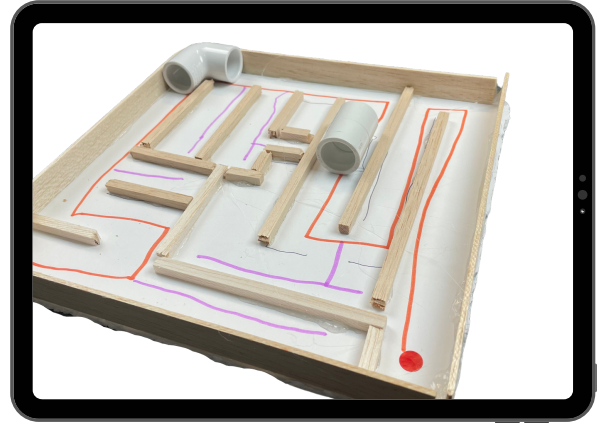

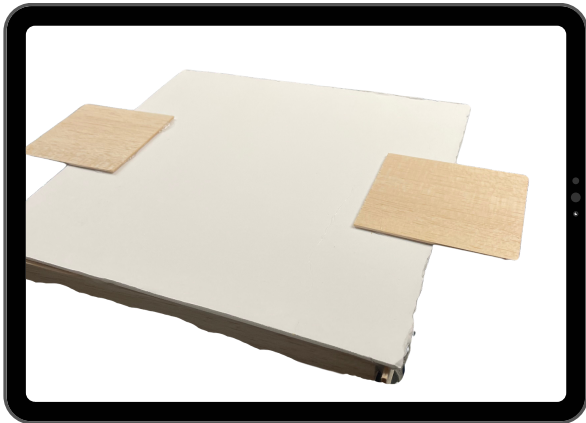

Step-By-Step

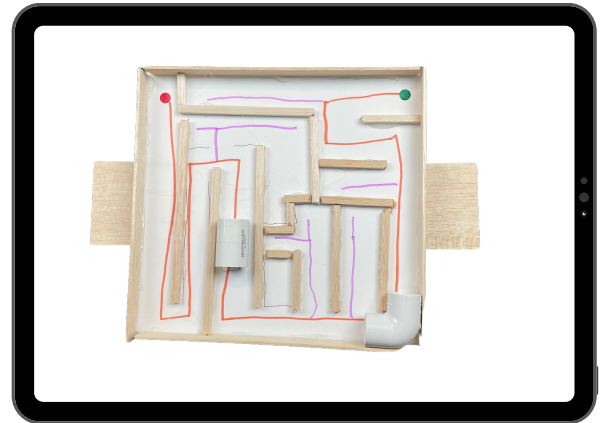

4. Start cutting out & gluing down the inside walls of the maze

5. Finish inside walls and add any attachments/obstacles

6. OPTIONAL: Glue handles to the bottom of the maze

7. Aerial View:
• Place start and end dots in corners!
