### CARE & MAINTENANCE:

Fienza's matte white Cast Stone Solid Surface products are the same quality material all the way through, meaning they can be sanded and refinished as new. In case of deeper damage, a white solid surface repair fluid can be purchased directly from Fienza. Fienza's warranty on finish is valid on the condition that the care instructions have been followed. Please see the 'Cast Stone Care' instructions supplied with the product before use.

### INSTALLATION WARNING:

Floor preparation may be required for off-centre waste positions. Please discuss with your builder/plumber before tiling and waterproofing your bathroom.
