Bashas' new partnership responds to surging demand

THE SHELBY REPORT

Forager Partners With Bashas' To Bring Consumers Locally-Sourced Food

Partnering with Forager will support our expansion of suppliers and products, focusing on growing 'hyperlocal' sourcing to deliver on our **customers' expectations for local food** direct to our stores as part of our ongoing commitment as Arizona's Hometown Grocer."

—Steve Mayer

SVP of merchandising, marketing and procurement at Bashas'

The Forager platform has enabled our stores to **streamline the ordering process** of dozens of these Local suppliers into one location. This has both reduced friction for the stores and improved in-stock availability for our customers ... a true win-win!"
