

The Chief of Staff Network

Employer Learning & Development Reimbursement Program

We're excited to invite your Chief of Staff to the leading professional community for current & former Chiefs of Staff. We support hundreds of the top operators in defining their role, daily execution, career navigation, and more.

Our programming combines transformational learning experiences, practical resources, and a powerful community of leaders harnessing the skills to excel in this position and drive their teams forward. We encourage employers to sponsor the membership as a function of their Chief of Staff's learning & development.

Access to the world's leading operators & decision makers.

Over 400 of the top Chiefs of Staff in tech startups, large enterprises, non-profits, higher education and more utilize the Chief of Staff Network everyday to improve their operational and leadership skills, learn best practices from industry-leading experts, and build real relationships with their peers.

- ✓ Tactical cohort based learning programs
- ✓ Expert-led workshops and sprints
- ✓ Peer-to-peer masterminds
- ✓ Private Slack with over 400 Chiefs of Staff
- ✓ Community-driven Knowledge Hub
- ✓ Virtual and in-person facilitated networking
- ✓ Advisor Connections & Mentorship
- ✓ Bi-weekly community newsletter

Give your Chief of Staff the support they need to succeed.

Events and Resources

We develop tailored education focused on tactical and leadership skill-building. Expert-led firesides, panels, and multi-day workshops help accelerate Chiefs of Staff and their teams.

Peer Guidance

Guided cohort based sessions and community-led roundtables enable members to build strong relationships while leveraging the shared brain power of other leaders in the community.

Networking

The Chief of Staff role can be an incredibly lonely position and difficult to navigate without guidance. The Chief of Staff Network facilitates highly relevant connections between peers.

“

The CoS Network has been an invaluable resource and network for my continued growth. Learning from other generalists across the world has helped me understand the breadth and depth of the Chief of Staff role and the team has done an amazing job fostering engagement across the community.

Members benefit from a variety of live programs, events, and meaningful peer connections.

The Chief of Staff Network's events have always proven topical, timely, and informative; given that the Chief of Staff role can often be nebulous or without proximate peers, these events provide space for cross-pollination and information sharing with folks who have done similar work before.
