SmartHaus specialise in the Design, Supply and Installation of contemporary German kitchens for private residential clients and luxury developments across Northamptonshire, surrounding counties and into London. Independently owned, we have been established for over 12 years and pride ourselves on delivering a first class customer service.

Starting with our free of charge, no commitment designs right through to installation, we have gained a reputation for creating well-conceived, surprisingly affordable kitchens of exceptional quality and that's why our business has been solidly built on recommendation. Whether ultra-modern handle-less or more traditional kitchens, our designers are passionate about creating stunning interiors that are perfectly planned to make the most of you space and budget. Our partnerships with leading brands ensure you are choosing from the very best tried and trusted products and appliances.

And with a selection of the most exquisite materials including Granite, Quartz, Marble and Sintered Ceramics for worksurfaces, you can choose from over 400 options for worktops, splashbacks and islands. Add to that our highly experienced in-house fitting teams and Smarthauss are with you from concept to completion. For more kitchen inspiration visit www.smarthaus.co.uk/inspiration.
