The Great American Wine Company, by Rosenblum Cellars, is a tribute to the pioneering spirit of America. We proudly use the finest grapes from coastal California vineyards to pay tribute to classic American varietals and winemaking techniques. The stunning California landscape, with its golden hills rolling toward the Pacific Ocean, is grape paradise. Cool maritime breezes temper warm, dry days throughout the growing season, allowing the grapes to hang on the vine well into September and October. This produces excellent fruit with balanced acids and rich, concentrated flavors. To create this wine, we selected fruit from key regions that give us the rich and vibrant flavors we were looking for.
